

Meredith Tells Rally Negro To Get Attention

JACKSON, Miss. (AP) — The long and turbulent Mississippi march has ended with James H. Meredith — who started it as a "journey against fear" — saying the "governor and every other person is going to pay attention to the Negro."

"The system of white supremacy will reign no longer," Meredith told a heavily guarded rally behind the imposing State Capitol Building Sunday.

Some 16,000 persons, most of them Negroes, flowed through Jackson streets to jam into a portion of the Capitol grounds and adjacent areas.

The final leg of the march — from Tougaloo College on the outskirts of Jackson to the Capitol — and the rally were marked by a subdued atmosphere.

Meredith, 33-year-old Air Force veteran, led the procession with a number of national civil rights leaders, including Dr. Martin Luther King Jr.

Meredith drew the greatest response from the crowd, which couldn't hear half of what was said from the flatbed truck which served as a speaker's platform.

Challenge To Fear

Meredith said his father, now dead, told him most white persons "are pretty decent. It's true that we got some mean white folks in Mississippi, but these people can be decent."

"There is only one thing that is holding them back. And that thing is the system of white supremacy."

"The purpose of the march that I started three weeks ago was to point up and to challenge that thing at the base of the system of white supremacy. That thing is fear — a fear that grips the Negro in America to his very bones, not only in Mississippi, but in every section of this country, because every inch of the country is controlled by the system of white supremacy."

Meredith recalled that he was shot on the second day of his march "but as you can see here, that didn't end a thing."

Meredith began the trek June 5 at Memphis, Tenn., 225 miles north of Jackson. He was wounded by a blast of birdshot from a shotgun the next day near Hernando, Miss., after covering 27 miles. A white man, Aubrey Norvell, of Memphis, was charged with attempted murder and is free on a \$25,000 bond in the case.

Registration Crusade

King and other national civil rights figures rushed in to take up the march mission, turning it into a Negro voter registration crusade. They led the marchers off U.S. 51 — the route planned by Meredith — and meandered through the heavily Negro populated delta area.

The trek covered 232 miles on the highways, many more inside such Mississippi towns as Batesville, Grenada, Greenwood, Itta Bena, and Belzoni. A side trip by auto to Philadelphia for a rally unleashed violence and a task force from the march returned to the east-central Mississippi town last Friday for a two-mile walk to the courthouse under heavy police guard.

Red Police Club Hymn Chanting Catholic Poles

WARSAW, Poland (AP) — About 1,000 hymn-singing Polish Catholics clashed with club-wielding police Sunday night in two attempts to march on Communist party headquarters in Warsaw.

At the height of the outbreak, helmeted police charged into a chanting crowd of youthful supporters of Stefan Cardinal Wyszyński, the Polish primate, and began swinging their truncheons. Newsmen saw at least two persons struck by clubs and reported several arrested.

The violence erupted 10 years to the month after the bloody 1956 riot of Polish workers in Poznan which set off a shock wave felt throughout the Communist world. The trouble in Poznan was a forerunner of the Hungarian revolution.

The Catholic hierarchy and Poland's Communist regime have been at odds for months over a proposal by Polish bishops for Polish-German reconciliation.

Sunday night's demonstrations started after more than 50,000 Catholics jammed St. John's Cathedral and nearby streets for services including a week-long celebration of the millennium in Warsaw.

Then two dozen policemen charged with clubs flying and tear-gas capsules ready. The crowd turned back.

Again they regrouped and resumed their march. This time several scores of helmeted police made a club-swinging charge and scattered the crowd. They eventually dispersed as police trucks converged on the area.

By midnight the city was quiet.

VFW Commander Promises New, Positive Effort

GRAND RAPIDS (AP) — The new Michigan state commander of the Veterans of Foreign Wars Sunday promised a new campaign to emphasize "What is right about this country — at home and abroad."

Boniface R. Maile, a 52-year-old Detroit attorney, said too much publicity is given the one per cent of the people who protest U. S. action in Vietnam.

Maile is former national president of the Disabled American Veterans and was senior vice commander of the Michigan VFW before assuming the top post, at the VFW state convention.

Ludwig Erhard Ready To Talk Over Problems

BONN, Germany (AP) — Chancellor Ludwig Erhard says he is ready to meet with Soviet leaders at any time here or in Moscow for talks on German problems.

Renewed interest in the possibility of such talks has developed as a result of declining East-West tensions in Europe, currently dramatized by French President Charles de Gaulle's visit to the Soviet Union.

Erhard told The Associated Press in the course of an informal discussion of defense and foreign policy problems that Soviet leaders have a standing invitation to visit West Germany.

Asked whether he would be willing to go to Moscow instead, he replied: "I would also be ready to go to Moscow."

On other major issues the chancellor made these points:

1. He opposes any major withdrawals of U.S. troops from West Germany on the ground that heavy cutbacks could increase the danger of nuclear war and undermine the sense of security of the German people.

2. He wants modification of the agreement under which West Germany buys arms in the United States to offset American dollar expenditures for maintaining six divisions in West Germany. The agreement should be changed, Erhard said, to allow West Germany to buy peaceful space equipment.

3. Some transitional arrangement will have to be made to cover French troops remaining in West Germany after they are formally separated from the North Atlantic Treaty Organization July 1.

4. Reunification of Germany is essential to secure peace and stability in Europe but this cannot be obtained through the efforts of Germans alone. It is also a responsibility of the United States, Britain, France and the Soviet Union. Only the Soviet Union has refused reunification, Erhard said, so the key to achieving it lies in Moscow.

Fire Destroys Eagle Harbor Eatery Sunday

EAGLE HARBOR (AP) — A \$30,000 fire destroyed an Eagle Harbor restaurant Sunday in Upper Michigan's Keweenaw Peninsula. The damage estimate came from owner Ray Thomas of Calumet.

No one was injured. Origin of the blaze was not determined immediately.

Firemen from Eagle Harbor, Calumet and the Calumet & Hecla Mining Co. prevented flames from igniting a 500-pound propane gas tank at the rear of the burning building.

Flying Tigers Reunite In Spain

PALMA DE MALLORCA, Spain (AP) — Fighter pilots of the Flying Tiger squadron who battled the Japanese air force as volunteers in China — gathered here today for their first reunion in Europe.

About 165 of the former pilots and their wives flew here from New York on a plane of the Flying Tigers Line, an airline established by former members of the squadron.

Two Days On Snowy Mountain:

Courageous Mother Saves Baby In Crashed Airplane

SEATTLE, Wash. (AP) — "Her courage and initiative saved our baby's life," says the husband of a young mother who managed to keep her 2-month-old baby and herself alive for two days in a plane wreckage on a cold, snowy mountain.

Loren Little, 24-year-old University of Washington medical student, spoke with pride as he told of the ordeal his wife, Karla, 25, underwent to save herself and their daughter, Laurie.

Mrs. Little's father and stepmother died in the crash on the snow-covered side of 9,671-foot Mt. St. Helens.

Mrs. Little suffered a broken back, broken ribs, a collapsed lung and frostbitten feet. Doctors reported she was resting comfortably in a hospital today. Her daughter has only a bruised forehead.

Little said his wife, who was rescued Saturday, recalled the ordeal clearly.

To Wedding Anniversary It began when Mrs. Little and her daughter were picked up in a rented plane by her father, Grant Erickson, 49, an executive of a radio supply company in Sioux Falls, S.D., and his wife.

They planned to fly to Norwalk, Calif., for the golden wedding anniversary of his parents, Mr. and Mrs. Ray Erickson.

"I was supposed to go with them," Little said. "At the last minute I changed my mind."

Flying south toward Portland, Ore., Thursday the four ran into heavy weather. Mrs. Little thinks a wingtip struck the

rocky side of the mountain. Erickson crash-landed the craft on a ledge at the 5,500-foot level. He and his wife were killed.

Cautious Pilot

Little, describing his father-in-law as a "very cautious pilot, a sensible flier," noted that the last reports from the plane had its altitude as 8,500 feet. He believes Erickson fought to bring the crippled craft to its crash landing at a much lower altitude, "probably saving the life of my wife and child."

The young husband flew with the search planes, refusing to abandon hope through a long Friday and into Saturday afternoon.

Inside the broken plane, Little's wife, paralyzed below the waist, cuddled and nursed her baby.

Vainly through the long hours she tried to reach a bag containing supplemental food. She did manage to reach two baby blankets, wrap Laurie in one and stuff the other in a broken window to keep out windblown snow.

Rocks kept falling from above, bouncing and clattering on the wreckage.

Thursday she could hear the search planes. Friday she saw them but had no way or strength to signal. Finally, Saturday afternoon, a helicopter spotted the broken plane.

"Ferd The Baby" She asked the first rescuer, a paramedic, to "get the food and feed the baby."

Three On Trial In Penn Killing

ATHENS, Ga. (AP) — U.S. Dist. Atty. Floyd M. Buford put three white men on trial today on federal conspiracy charges stemming from the 1964 slaying of Negro educator Lemuel A. Penn.

The three, identified by the FBI as active in the Ku Klux Klan, are Joseph Howard Sims, 41; Cecil W. Myers, 26; and George H. Turner, 31.

Six men face the charges, but U.S. Dist. Judge William A. Boodle of Macon divided them into two groups and said they would be tried three at a time.

The second group is comprised of James S. Lackey, 30; Herbert Guest, 39; and Denver Willis Phillips, 26.

Bootle said that prospective jurors would be questioned in private in his chambers by attorneys. Deputy Clerk of Court Girard W. Hawkins said he expected that task would be completed today.

Navy Flyers Destroy Big Enemy Fuel Dump

SAIGON, South Viet Nam (AP) — U.S. Navy bombers turned a large North Vietnamese fuel dump into an inferno that threw up billows of black smoke visible for 150 miles away at sea, an American spokesman reported today.

Twelve hours after the strike by twin-jet A6 Intruders from the carrier Constellation the strategic oil stores were still engulfed in flames. Navy reconnaissance pilots said. The target was a fuel storage area 35 miles northeast of Vinh and 160 miles south of Hanoi.

U.S. military men said the raid—one of 68 missions against the Communist North Sunday—was a particularly successful blow at North Viet Nam's vital fuel reserves. These stores have been the target of intensified recent air attacks.

Immediately after letting loose their heavy bombardment, pilots of the low-level jets radiated they saw huge explosions accompanied by thick black smoke. One flier banked sharply to avoid a glowing orange fireball at 3,000.

"An entire hill erupted," another pilot said.

While the air blows were being dealt against the North, U.S. pilots killed an estimated 70 Communists, destroyed 460 buildings and hit 36 river sampans in South Viet Nam, a spokesman said.

On the ground, U.S. Marines and Vietnamese troops went after the remnants of a battalion of North Vietnamese regulars and hard-core guerrillas in tunnels and bunkers northwest of Hue. The Leathernecks counted 66 enemy bodies, took four North Vietnamese regulars prisoners and captured 37 weapons, a spokesman reported in Saigon.

Marine officers at the battle scene estimated the relentless U.S. air and artillery fire may have cost the lives of 300 Communists, or about half the enemy force. U.S. 7th Fleet ships offshore joined in the barrage.

Griffin Visits In Milan Prison

By The Associated Press One candidate went to prison, another played golf and a third shook hands in western Michigan Sunday.

All three are seeking nomination in the Aug. 2 primary for separate two-month and six-year terms in the U.S. Senate.

Republican Sen. Robert Griffin wound up a busy day by touring the Federal Correctional Institution at Milan, speaking at the installation ceremony of a Jaycee chapter for inmates.

Earlier, he went from Traverse City to Greenville to Rochester to Mount Pleasant, shaking hands and making speeches along the way.

Griffin was appointed to his Senate seat by Gov. George Romney to fill the vacancy created by the death of Democratic Sen. Patrick McNamara.

Williams took the day off from his heavy campaign schedule to celebrate his 29th wedding anniversary at his summer home on Mackinac Island and spent Sunday afternoon on the golf course.

Cavanagh started the day in Muskegon Heights, visited Montague and then went to a 9th Congressional District meeting in Ludington.

Rescue Efforts, Respiration Fail State Toll 19

A 16-year-old Wilson youth drowned at the Escanaba Bathing Beach about 8:15 p.m. Sunday despite efforts of beach lifeguards, firemen and police to revive him.

The death was one of 19 drownings, including two more in the Upper Peninsula, reported in Michigan over the hot weekend. In addition, 13 persons were killed in traffic accidents.

Victim of the Escanaba accident was Harvey Joseph Bellefeul Jr., son of Mr. and Mrs. Harvey Bellefeul of Wilson. He would have been a senior at Bark River-Harris High School this fall.

His body was taken from about five feet of water south-west of the raft at the beach about 8:15 by lifeguard Thomas Meinz, 19, of 413 S. 12th St. Mouth-to-mouth respiration administered by lifeguards, city police, firemen and beach director Francis Leunberg for 55 minutes at the raft failed to revive him.

Efforts Fail

Efforts to revive Bellefeul were stopped briefly at 9:10 p.m. while Dr. Raymond Hockstad administered a stimulant to the victim's heart, then resumed again for several minutes before he was pronounced dead.

Police reported Bellefeul was swimming from the raft with William Fodor, 17, and Daniel LeBeau, 18, both of Bark River, and Donald VanEnkevort, 17, of Rte. 1, Bark River.

Lifeguards told police they had called everyone out of the water, but the boys stayed on the raft. After they had made a second call, they were preparing to go out to the raft when the first report came that a boy was under the water.

Bellefeul's companions told officers they had started to shore after hearing the call to come out of the water and when they looked back they saw Harvey bob in the water and go down. VanEnkevort continued to shore to summon help.

Resort Owner Dies

The drowning was the first in Delta County this summer. Police are continuing their investigation.

Other Upper Peninsula drowning victims were Leona C. Gibbs, 38, of Ishpeming, in Ogden Lake in Marquette County Saturday and Charles Allensworth, 56, of Brevoort, Saturday in Brevoort Lake. Allensworth's body was recovered Sunday afternoon after an all-day search. He was the owner of the Morjoi Resort on the lake.

None of the fatal traffic accidents reported in the period from 6 p.m. Friday to midnight Sunday were in the Upper Peninsula, according to Associated Press reports. Police report 865 persons killed so far this year on Michigan highways compared to 862 last year.

Harvey Joseph Bellefeul Jr. was born Sept. 11, 1949, in Escanaba. He was a member of the Bark River-Harris football team and an all-conference selection for the past three years. He was also a member of the basketball team and belonged to St. Francis Xavier Church and its Holy Name Society.

Services Wednesday

Surviving are his parents; four sisters, Mrs. Theodore Cola and Mrs. Clifford Petrie of Pontiac, and Judy and Mary, at home, and his step-grandfather, Patrick Beaudrie, Chamaron, Wis.

Friends may call at the Kell-Tondin chapel in Spalding after 3 p.m. Tuesday. Funeral services will be at 10 a.m. Wednesday at St. Francis Xavier Church with Fr. Walter Franczak officiating. Parish rosary will be recited at 8 p.m. Tuesday. Burial will be in Spalding Township Cemetery.

Knights Plan Memorial Cross

Knights of Columbus Iron River Council 2300, will erect an outside cross as a testimonial to the faith the pioneers brought to this area. At the base of the cross will be a marble altar which all religious denominations will be welcome to use for outside religious services.

The artists who planned the project and designed and carved the cross and corpus are all local Knights of Columbus. All come from within four miles of where the cross will stand. It is a large cross — over 37 feet in height. The corpus, carved by Frank Rawnick, from one piece of wood, stands 8 feet.

The cross and altar will be erected on the Knights of Columbus hill, on the grounds on which KC club house is located in Gastra.

The people of the communities of Iron River, Stambaugh, Caplan and Gastra have shown interest in the project and the Knights of Columbus are sponsoring a commemorative book for this event which will be distributed at the dedication ceremonies.

The public is invited to the dedication ceremonies on Sunday, July 24, at 4 p.m. Rt. Rev. Monsignor David P. Spelgatti, a former chaplain of the Iron River Council, will offer the Mass and deliver the dedicatory address.

U.P. Bar Shapes Judicare Role

By JEAN WORTH

Lawyers attending the Upper Peninsula Legal Institute discussed Judicare with very mixed emotions Saturday and reserved any general judgment on this plan of free legal services to the poor until they can review it at a meeting in Marquette, tentatively set for 1:30 p.m. Friday, July 8.

John S. Clark, of Petoskey, president of the State Bar of Michigan which sponsored the Legal Institute, will host the Marquette meeting and send all U.P. attorneys digests of the three Judicare plans discussed at the Saturday meeting of the Legal Institute in the Delta County Building.

They are:
1. UPACAP's plan. The Economic Development Administration has given the Upper Peninsula Committee for Area Progress \$195,600 to finance a year of Judicare through six attorneys hired for the service, one in each of the U.P.'s 6 multi-county Community Action Agencies, and a seventh to administer the program.

2. NORCAP's plan. NORCAP is an economic development agency working in the top of the Lower Peninsula through the Community Action Program. Its plan has not yet been funded by the federal government and it is patterned on the plan of the Wisconsin State Bar Association which is a referral plan. Instead of hiring attorneys full time to serve the poor, the Wisconsin State Bar has contracted with EDA to provide legal services to the poor in Northern Wisconsin counties by resident attorneys in the clients' home communities on a reduced fee basis.

3. The Wisconsin plan. The lawyers of the Upper Peninsula have no U.P. association. They are organized in county bar associations and have affiliation with the State Bar of Michigan.

They assembled here Saturday morning to hear John W. Cumiskey speak on Judicare. Cumiskey is chairman of the American Bar Association's Committee on Legal Aid and Indigent Defendants, the national lawyers' association group working with the same problem as the Judicare activities of the federal government's War on Poverty.

Cumiskey's function, he said, is not to peddle any one plan of legal aid to the poor, but to get bar and government into an effective cooperation to provide the service.

William James, a Sault Ste.

Marie attorney who is also director of the Chippewa-Luce-Mackinac Community Action Agency, is the chief author of the Judicare plan for the U.P. now sponsored by UPACAP. It went to EDA with the professional blessings of representatives of the U.P. bar and courts, which were cited in evidence, but this endorsement came under very strong questioning on Saturday by attorneys. There had been no concerted action to give the authority of the bar to support of the project, they said. The first notice they had, some said, was announcement that the bar was committed to it.

Bar's Position
Meetings and notices were cited but the lack of formal action created complaints which appeared to be quite substantial in the group. Atty. John McDonald of Marquette said that Medicare was being criticized for inviting the elderly in for hospital and medical care with the services not fully set up to care for it. And now, he said, Judicare was starting and the bar was not well informed on it.

He expressed fear that any failure of the plan would fall on the bar, which was in "the ridiculous position" of being charged with cooperation in a plan which would be two and a half times more expensive (referrals) in the Lower Peninsula than in the Upper Peninsula (hired attorneys) "and which was bound to fail someplace."

Congressman Raymond Cleveland said "I am not sure that the lawyers determine what type of services should be provided for the poor."

"Don't use our endorsement, then," suggested Atty. Arthur Neiman of Escanaba.

15 State Plans
Cumiskey estimated that there are a minimum of 3,000 potential legal cases in the Upper Peninsula poor. The State

is parked with no parking fee. There will be no charge for the grandstand shows Wednesday through Saturday evening, and Wednesday through Friday afternoon. Each grandstand performance will be announced by firing a rocket so that people on the fairgrounds can be seated in time to see the complete show.

Other featured events for the gate fee will include the Wonderland Variety Show with high wire and animal acts, and other attractions Wednesday and Thursday, Aug. 17 and 18. On Friday, Governor's Day, the Northern Michigan University Band of 250 top musicians will appear with Governor Romney at the afternoon and evening performances.

Also on Friday, Eileen Rae Sielaff, national baton twirling champion, and 40 other baton twirlers, will perform. There will also be a "Piggy Scramble" for youngsters, the 4-H show, and horse pulling contests on Thursday during Fair week, and will be included for the 50c gate fee.

On Saturday and Sunday, stock car races will be sponsored by the Peninsula Stock Car Racing Association of Escanaba. There will be an admission charge for the races.

Charles Londo To Go To Lausanne
Charles D. Londo, son of Mr. and Mrs. Leo Londo, 1512 S. 11th Ave., will travel to Lausanne, Switzerland as one of 72 other classmates, all freshmen at Michigan State University's Justin Morrill College.

Morrill College is a new, experimental liberal education college founded last year. Its theme is international. Its goal is intercultural understanding. Twenty other classmates left for a summer study at the University of Moscow in Russia and eight are going to Spain. The students will earn twelve credits.

Briefly Told
Monthly meeting of American Legion Auxiliary, Cloverland Unit 22, will be held July 11 at 8 p.m. in the Clubrooms. Main business of the evening will be the election of officers for 1966-67. A report of the Peninsula Legion Convention at Menominee will be given.

Delta Trailer Club will hold their June meeting tonight. A representative from the Federal Forest Service will answer questions about camping. Anyone interested in camping is welcome. The meeting will be at 8 p.m. at the VFW Club and lunch will be served.

Bar minimum fee is \$26 an hour, and NORCAP, serving the 33 northern counties in the Lower Peninsula, proposes to pay two-thirds of this, or \$18 an hour. At a 2,000 hour work year for a lawyer this would cost \$36,000, while a CAA proposed could set up a hired lawyer for \$14,000 a year.

There are already 15 Judicare plans for Michigan of which 11 have been funded by EDA, including those in Detroit, Wayne County, Battle Creek, Saginaw, Ann Arbor and Muskegon.

Bar minimum fee is \$26 an hour, and NORCAP, serving the 33 northern counties in the Lower Peninsula, proposes to pay two-thirds of this, or \$18 an hour. At a 2,000 hour work year for a lawyer this would cost \$36,000, while a CAA proposed could set up a hired lawyer for \$14,000 a year.

There are already 15 Judicare plans for Michigan of which 11 have been funded by EDA, including those in Detroit, Wayne County, Battle Creek, Saginaw, Ann Arbor and Muskegon.

U.P. Horseman's Next Show To Be Held July 3
Upper Peninsula Horseman's Association Sponsored Shows began June 12 in Ishpeming with the Ishpeming Trail Riders, June 18, with the Champion Lions Club under the direction of Berle Lepin and June 19 with the Cherokee Club in Norway under Bonnie Martin, Star Rte. 1, Box 204½, Iron Mountain.

July 3 will be the next show, sponsored by Northstar Riding Club in Lake Linden, under Eunice Guy, Rte. 1, Lake Linden followed by Saddellies 4-H Club of Ironwood, July 10, under Louise Bolch, Route 1, Ironwood, Box 17. July's activities will finish up on the 17th in Norway with the Dickinson County 4-H Clubs under Hartwig Ruesch, Rte. 1, Box 851, Iron Mountain.

August's activities begin at Cherry Lane Stables in Chatham under Lois Howard, followed by the Lucky Horseshoes in Iron River, Aug. 14, under Walter Helgemo, Iron River, and the U. P. State Fair Aug. 20, in Escanaba under Marianne Cowell, Kipling Rt. 1.

Sept. 18 is at the Silver Spurs in Gladstone under Marianne Cowell and Sept. 25 at Timber Trails in Hancock under John Bishop, 203 W. South St., Houghton.

Tech Receives \$15,000 Grant
HOUGHTON — The Department of Metallurgical Engineering at Michigan Technological University has received a \$15,000 grant from the National Science Foundation (NSF), according to John T. Wilson, deputy director of the NSF.

The grant, under the direction of Dr. A. A. Hendrickson, professor of metallurgical engineering, will be used to purchase a "helium liquefier facility." Michigan Tech will contribute \$8,140 to the grant.

Charles Londo To Go To Lausanne
Charles D. Londo, son of Mr. and Mrs. Leo Londo, 1512 S. 11th Ave., will travel to Lausanne, Switzerland as one of 72 other classmates, all freshmen at Michigan State University's Justin Morrill College.

Morrill College is a new, experimental liberal education college founded last year. Its theme is international. Its goal is intercultural understanding. Twenty other classmates left for a summer study at the University of Moscow in Russia and eight are going to Spain. The students will earn twelve credits.

Briefly Told
Monthly meeting of American Legion Auxiliary, Cloverland Unit 22, will be held July 11 at 8 p.m. in the Clubrooms. Main business of the evening will be the election of officers for 1966-67. A report of the Peninsula Legion Convention at Menominee will be given.

Delta Trailer Club will hold their June meeting tonight. A representative from the Federal Forest Service will answer questions about camping. Anyone interested in camping is welcome. The meeting will be at 8 p.m. at the VFW Club and lunch will be served.

MUCC Cheers Deer Heroes

Pollution War Declared

By KENNETH S. LOWE
of the Panax Newspapers

Michigan has accomplished much in conservation in the past four years, but "we have a steep road ahead," Gov. George Romney told the Michigan United Conservation Clubs at Marquette Friday.

"Although the past four years have been years of action and accomplishment," he said, "we face massive challenges that require massive efforts and massive expenditures if the state is to meet its needs in conservation — particularly in recreation and water pollution control."

The conservation record, Romney said, started with the appointment of a Governor's "blue ribbon" committee to study Conservation Department operations and policies. The 21-man committee included two past presidents of MUCC. "They turned in a superlative report and recommendations for improvement of the department," Romney said. In 1964 the department was reorganized. "It was streamlined and given dynamic new leadership."

Burden On Sportsmen
"You (as sportsmen) have paid more than your fair share of conservation costs (through licenses)," the Governor said. "Four years ago 44 per cent of the department's operating budget came from sportsmen's fees. Starting July this will be reduced to 35 per cent, with the general budget carrying more of the burden."

The audience applauded this statement and applauded again when the Governor stated that "state funds for the Conservation Department in the next

fiscal year will be more than double the amount four years ago."

He also listed among recent achievements new water pollution controls "with teeth" and a new program of grants-in-aid to local governments to help halt pollution.

"It's a record we can all be proud of. MUCC fought hard to make it a reality, as did some members of the Legislature, and so did I," the Governor said.

Money Needs Huge
"The most significant part of our effort is that we have laid the groundwork for even greater progress in the years ahead. Michigan conservation is poised on the launching pad."

Romney said he asked the Water Resources Commission to forecast the state's needs for the next 10 years and was told that \$900 million must be spent to (1) correct existing deficiencies in pollution control; (2) bring all sewage treatment methods to secondary standards and (3) provide facilities for expanding population.

Two state legislators who were vilified for fighting to continue the harvest of antlerless deer had their day of glory Saturday.

State Reps. Joseph Snyder (D-St. Clair Shores), chairman of the House Conservation Committee, and Robert J. Slingerland (D-Lake Orion) were given a standing ovation when they addressed to closing session of MUCC at Northern Michigan University.

Back Department
The tribute came after delegates earlier in the day had strongly reaffirmed their stand

in favor of continued management of the deer herd solely by the Department of Conservation and defeated proposed resolutions aimed at abolishing the "any deer" season.

During the peak of the controversy in the Legislature over harvesting does and fawns, Snyder and Slingerland were hanged in effigy on the Capitol lawn in Lansing for defending the so-called "scientific management of deer."

Slingerland said opponents of antlerless deer hunting harassed him last winter by sending the fire department on false alarms to his residence, accusing him of accepting bribes from the Conservation Department and placing telephone calls to his wife "accusing me of doing things in Lansing that I shouldn't be doing."

Snyder told the MUCC delegates: "I think the crisis is over. The hysteria is gone, and you have done much for the future generations."

Snyder paid "special tribute to the objective and statesmanlike manner in which the communications media assisted us in the conservation program."

Rock Club Active
The remarks by Snyder and Slingerland came after delegates had approved several resolutions supporting the Conservation Department's position in deer herd management.

One put MUCC "on record as being in favor of and endorsing the continued management of the deer herd solely by the department."

Delegates defeated a resolution introduced by the Iron County Sportsmen's Club that called for abolishing early bear seasons and abolishing the antlerless deer hunting in the Upper Peninsula in 1966 was withdrawn.

They approved a resolution from the Rock Sportsman's Club to oppose increasing the deer license fee.

Several resolutions introduced by Upper Peninsula affiliates of the 60,000 member MUCC went down to defeat.

One from the Rock Club, asked for a special deer license for any deer for a party of four or more, not exceed \$5. Another, also sponsored by the Rock Club, urged reinstatement of the fox and bobcat bounties in the Upper Peninsula and retention of the coyote bounty.

Sale Success

The Exchange Club reports that its rummage sale has been so successful, it will carry the sale over today and tomorrow. The sale is in the exhibition building at the fairgrounds and all items are a dime. Money from the sale will be used for their dental program. The club would like to thank the public for its cooperation.

Escanaba Class Of '16
Holds 50th Reunion

Fifty years ago a class of seventy-two students graduated from Escanaba High School. This year on June 25 twenty-one of these students, some with husbands or wives, met for a reunion, their first since they graduated in 1916. Thirty two of the classmates are deceased and only three members could not be located.

Following registration at the Chamber of Commerce Building the group toured old "Eskey High" and found many changes since 1916. A tour of the new Escanaba Area High School evoked many favorable comments.

A social hour at 6 p.m., followed by a dinner and program were held at the Highland Golf Club. The class colors of rose and gold with the theme of "graduation days" was carried out in the table arrangements.

General chairman for the reunion was Eva Flemstrom, with Helen Hoyer, program chairman and Kathleen Anderson, social hour and dinner chairmen.

The informal program was as follows:

Master of ceremonies, Edward Erickson; Invocation, Eva Flemstrom; Memorial Service, Helen Hoyer and Kathleen Anderson; Greetings, Mary Ellen MacMartin; Gifts and Prizes, Eva Hoyer, Verna Donovan; "This Is Your Life," Esther Davidson; "Sing Along," Eva Flemstrom, Mrs. Ed Bergman; Other local committee members were Albin Olson, Helen Jepsen, Ruth Olson and Rosetta Walker.

Out-of-town members attending the reunion were: Mr. and Mrs. Dunnigan (Lucile Woolpert), Lansing; Mr. and Mrs. Roy Herbst, Muskegon; Mrs. Ed Self and daughter (Anna Mary Snyder), Camas,

Washington; Mr. and Mrs. A. T. Bolt (Rosemarie Sanders), Hammond, Ind.; Mrs. Agnes Nelson Hendee, Chicago; John Perrin, Detroit; Mrs. Roger Walker (Helen Reade), Detroit; Mrs. Prigmore (Ina Wedell), Long Beach, Calif.; Earl Essington, Crystal Lake, Ill.

Local members attending were: Mrs. Fred Hoyer (Helen Jepsen); Mrs. Walter Jepsen (Helen Bogren); Mr. and Mrs. Richard Donovan (Verna Devine); Mr. and Mrs. Jim Davidson (Esther Stadel); Miss Eva Flemstrom; Mrs. C. Andy Anderson (Kathleen O'Brien); Mr. and Mrs. Edwin Bergman, Bark River; Mr. and Mrs. Roy G. Olson (Ruth Wicklund); Mr. and Mrs. Louis Hoyer (Eva McCauley); Mr. and Mrs. Edward Erickson; Mr. and Mrs. Albin Olson; Mrs. George Walker (Rosetta Carr).

Special guests included Mrs. E. J. MacMartin (Mary Ellen Lynch), Mrs. Michael B. Jensen (Nora McCauley), instructors in Escanaba Public Schools in 1916.

Are you paying more than
11½¢ a gallon for your residential
heating oil?

If you are, you're paying too much
to heat your home.

If you are now using natural Gas (or plan to) for cooking, water heating, clothes drying or Gaslights, and your use is equal to that of our average residential customer, you can get your Gas for heating under our special service rate at a cost equivalent to fuel oil priced at just 11½¢ a gallon. And the nice thing about our Gas rates is that

the more you use, the less it costs per unit. That's a bargain in anybody's book. (Can't pay for the cost of conversion right now? Here's good news: Whether you convert your present furnace, or even install a new Gas furnace, Michigan Consolidated will pay for it and its installation by a qualified heating contractor. And it won't

cost you a penny until October 1, 1966!) So why not make your present oil furnace more economical this winter? Have it converted to economical natural Gas. Then you can start putting your money in the bank for a change. Instead of in your furnace. For full details, call us or your heating contractor today.

MSU Students Go To Moscow

EAST LANSING (AP)—Twenty Michigan State University students are going behind the Iron Curtain for summer school—to the University of Moscow.

They will live in dormitories with Russian students, and earn 12 MSU credits under a new international study program.

The same program also will send 72 MSU students to Lausanne, Switzerland, and eight to Spain.

D. Gordon Rohman is dean of the college, which opened last September with 396 students.

All the traveling students are enrolled in MSU's experimental college—within-a-college, the Justin Morrill College, which

places a heavy emphasis on international studies and understanding between cultures.

In another JMC program this summer, 18 students will live with and counsel 60 underprivileged high school juniors in Michigan as part of the government's Upward Bound program of the War on Poverty.

"You don't have to go to Russia to see another culture today," Rohman said. "The real battle line in cross-cultural experience can be found right here in Lansing."

Diane L. Jewell Bride Of Walter E. Carlson

Iron River became the bride of Walter Eric Carlson of Escanaba in a ceremony performed Saturday, June 18 at the First Baptist Church of Iron River.

The Rev. Nels Nelson of Iron River officiated at the double ring nuptials at 8 o'clock in the evening.

Providing traditional organ music for the ceremony was Mrs. Harold Anderson of Iron River and soloist was Waldo Powell of Michigan City, Ind.

Adorning the altars of the church for the candlelight ceremony were baskets of gladioli and pompons.

The bride is the daughter of Mr. and Mrs. Harold Jewell of Iron River and the bridegroom's parents are Mr. and Mrs. Walter R. Carlson of 912 S. 17th St., Escanaba.

White Organza

The bride wore a floor length gown of white organza over taffeta trimmed with chantilly lace and designed with a chapel train. A single strand of pearls, a gift of the bridegroom, was her only jewelry.

A floral headpiece held her four tiered bouffant veil of imported silk illusion and she carried a cascading bouquet of white carnations and ivy foliage centered with a white orchid.

Miss Jane Lundquist of Iron River was maid of honor and Miss Barbara Jewell, sister of the bride was bridesmaid.

Taffeta Brocade

They were attired in identical gowns of light blue taffeta brocade styled with scoop necklines and short sleeves. Their headpieces consisted of crowns pleated with light blue brocade and circled with blue veiling and velvet ribbon. Double strand pearl necklaces, a gift of the bride and wrist length white gloves completed their attire. Their bouquets were cascade arrangements of blue and white carnations with ivy foliage.

Serving as best man was Donald Levine of Southfield, Mich., a cousin of the bridegroom and Kurt Kickbusch of Escanaba was groomsmen. Seating the guests were, Melvin Krause, Ellsworth Holm, Gerald Powell and Eugene Slagstad.

Mrs. Jewell attended her daughter's wedding wearing a two piece pink and white knit dress of queen's lace with white accessories and she was presented a white orchid corsage. Mrs. Carlson wore a foam green Irish linen knit sheath with bone accessories and a white orchid corsage.

A reception was held follow-

Lawyer's Wives Attend Luncheon At Country Club

About 30 women attended a luncheon given by the lawyer's wives of Delta County at the Escanaba Country Club Friday noon, June 24. This luncheon was part of the program of the Legal Institute held here Friday and Saturday.

Featured entertainment was a style show of hand-knitted fashions presented by Mrs. Robert Hanson, instructor of advanced knitting in the adult education classes and a wig show, organized and explained by Mrs. Ed Hurley, representing the Hurley Beauty Salon. Mrs. Lloyd E. Wetmore, Mid-

land, Mich., president of the Women's Auxiliary to the lawyers of the State of Michigan, spoke on what the wives of lawyers can do to acquaint the public with the value of their husband's work. She also recommended that a pamphlet about legal problems that surround the pranks of young people be distributed among ninth graders by the women's organization.

The committee taking an active part in arranging the luncheon was made up of Mrs. Nicholas Chapekis, Mrs. Arthur Neiman, Mrs. Dean Shipman, Mrs. Don Goulais and Mrs. Jim Fitzharris. Transportation to the Country Club was furnished by Mrs. Robert Lemire. Mrs. Louis Gregory was chairman of the affair.

Aunt Phyllis doesn't shout on the phone

Aunt Phyllis is soft-spoken. She's hard to hear when you're sitting next to her. But she talks right into her telephone and you always hear her when she phones you.

Here's why:

Telephone company technicians have installed miniature "repeaters" that amplify the voice at frequent

points along the lines the voice travels. They've added thousands of tiny "load coils" to minimize power loss. They've introduced numerous other technical innovations to increase volume and clarity when you talk on the phone, whether you're calling across town or across the country.

Improving telephone transmission

is but one of many ways we are trying to better your telephone service.

\$100 Million for Growth and Improvement:
That's how much Michigan Bell will spend this year to meet the surging demand for telephone service. It's the largest construction program in the company's history—\$45 million more than last year. The result will be telephone service that's even more dependable, convenient and valuable—for you.

Joe Riopelle, who took up the sport just a month ago, scored the first hole in one of the season at the Marquette Country Club. He canned his tee shot on the 170 yard No. 6 hole with a 3-wood while golfing with Richard Riopelle. And at Pine Grove in Iron Mountain, Vi Tomasoni became the first woman golfer to score an ace this season when she put her tee shot in the cup on the 150 yard No. 14 hole with a 5-wood. In her threesome were Dorothy Tirschel and Mary Massicotte.

Mike Porcarelli, sophomore at Wakefield High School, has been awarded a citation as the No. 1 skier in the Goetzke Range area this year. Porcarelli won the national junior slalom ski championship in March.

C&R Bar regained the top spot in the Iron Mountain Intercity softball league by beating chief challenger Credit Union, 3-0, with Ken Pengrazi spinning a five hitter and fanning four. Bill Uren lost with a five hit effort. C&R Bar is 8-1 for the season. Credit Union 8-2.

Wolverine suffered its first setback of the season in Copper Country Twilight baseball league action, bowing to Bancroft, 8-4, after 11 straight previous victories. Mark Hakola fashioned a nifty three hitter and fanned 13 batters to boost his personal pitching record to 4-1.

Ironwood, defending champion in the Western Upper Peninsula high school baseball league, made it two straight by downing Wakefield, 10-5. Don Koivisto notched his second mound victory by scattering six hits and fanning 14. Wakefield is a newcomer in the league this season.

Gerald Synett, veteran righthander, continues to hand-cuff opposing batters in the Sault Softball league. Synett, who had flipped a no-hitter and a pair of two-hitters in previous starts, came up with a one-hitter as his Merchant team downed Kincheloe, 5-1. The victory was the sixth straight for the Sault league leaders who will compete in the Escanaba Invitational tournament here on the Fourth of July weekend.

Twins Check Tigers Twice

DETROIT (AP)—The Detroit Tigers were delighted to pack their bags and head out of town today after an unhappy weekend series with the Minnesota Twins at Tiger Stadium.

The second place Detroiters, who had hoped to pick up ground on American League-leading Baltimore, dropped three of the five games with the Twins. "It was our worst performance of the year. Lousy pitching and no hitting," was Swift summed it up after the Twins overpowered Detroit in both ends of a Sunday double-header, 7-5 and 7-1.

The Tigers, thanks to a desperation three-run homer by Jake Wood in the eighth inning of the opener, made that one a fight right down to the wire, but they never had a chance in the nightcap as the Twins Jim Perry had his best pitching day of the year.

Detroit began the day Sunday 1 1/2 games behind pace setting Baltimore but wound up a full

three games behind as Baltimore clubbed California in a single game.

The Tigers will try their luck at California Tuesday night, leading off with Earl Wilson (6-6) in the two game series.

Some 31,942 fans looked on glumly Sunday as the Twins provided most of the batting and pitching thrills.

Jim Perry went the distance for a three-hitter against the Tigers in the second game while Dave Boswell, with relief help from Al Worthington, held the Tigers to eight hits in the opener.

The Twins used the same formula in both games — a big five-run inning.

Harmon Killebrew collected a double and two singles to pace the Twins 14-hit attack on Tiger starter (and loser) Joe Sparta.

Orlando Pena, Fred Gladding and Johnny Podres in the opener. In the second game, Perry got off to a wobbly start as the Tigers got their lone run in the first inning without a hit.

Perry Pitches Like Juan; Winning Too

By The Associated Press

Gaylord Perry is running like Juan Marichal and winning like him too.

Perry continued his sprint toward teammate Marichal and Los Angeles' Sandy Koufax Sunday, pitching a two-hitter as the National League-leading San Francisco Giants stopped Cincinnati's eight-game winning streak 10-0.

The victory was the 10th against one defeat for Perry, giving him a .909 percentage, the best among the league's top pitchers. Marichal, at 13-2, has an .867 mark while Koufax, who posted his 14th triumph against two defeats Sunday, is at .875.

In rambling toward the best season of his five-year major league career, Perry has picked up one of Marichal's habits. Instead of plodding slowly to the mound each inning as virtually all pitchers do, Marichal runs.

Perry did it Sunday, except for the last couple of innings, despite 94-degree weather and a weak left ankle.

"I want to work extra hard to stay in rotation," Perry explained. "I want to try and impress Herman Franks."

Perry undoubtedly has impressed Manager Franks — and all of the other managers in the league.

The 27-year-old right-hander has accomplished half a 20-game season even though he missed nearly three weeks after hurting his left ankle sliding into second base May 24.

In other NL games, Los Angeles edged Atlanta 2-1, Pittsburgh trimmed Philadelphia 2-0, Houston topped St. Louis 6-3 in 11 innings and Chicago whipped New York 7-0 before losing 8-2.

While Perry stymied the Reds, the Giants exploded with five home runs — two by Tom Haller and one each by Jim Davenport, Don Landrum and Jim Hart. Jim Maloney suffered his third defeat. He has won nine.

Koufax became the winning pitcher in the majors, scattering seven hits and striking out 11. The Braves tied the

game 1-1 in the fifth on Hank Aaron's run-scoring single, but the Dodgers pulled it out in the ninth on Denis Menke's two-base error and Willie Davis' two-base hit.

Woody Fryman shut out Philadelphia on three hits while Roberto Clemente and Willie Stargell, who walked, scored the Pirate runs. Jose Pagan singled home Clemente in the fourth inning, and Donn Clendenon brought Stargell home in the eighth with a triple.

Jim Wynn's three-run homer off Joe Hoerner in the 11th inning boosted Houston past St. Louis. The Astros, blanked on five hits by Al Jackson through eight innings, erupted for three runs and a 3-3 tie in the ninth. Wynn drove in the tying run

with a sacrifice fly.

Curt Simmons pitched a five-hitter for the Cubs in the opener of the doubleheader and was supported by Ernie Banks, who drove in three runs with a single and a sacrifice fly.

Ron Santo extended his hitting streak to 25 straight games before leaving the game in the third inning. Santo suffered a double fracture of the left cheek bone when hit by a Jack Fisher pitch.

The Mets came back in the nightcap behind Dennis Ribant's six-hitter. The game was tied 1-1 until the eighth when New York scored five runs. The Mets broke it open after Glenn Beckert fumbled Johnny Lewis' grounder, allowing two runs to score.

utes, 58 seconds to get the winning flag. Iverson was second and Bob Derouin third.

In the second Modified heat, Bobby Iverson charged into the lead in the first lap and ran away from the rest of the field to win going away. Gerry Richer of Escanaba was second and Allen Yelle of Marquette third. The heat was timed in 4 minutes, 26 seconds.

Tom Warren of Ishpeming captured the first stock heat in 4 minutes, 2 seconds. Warren jumped into the lead in the third lap and pulled steadily away from the pack. Forrest Libby of Marquette came in second and Ron Poquette third.

Larry Duford of Kingsford and Don Benoit of Escanaba hooked up in a two car duel for the second stock heat. Tom Knapp of Marquette held the lead for the first nine laps of the prescribed 10, but was finally headed by Duford and Benoit. The two men were neck and neck with Duford just nosing out Benoit for the win. Knapp was third.

Ron Dean of Marquette took the final stock heat in 3 minutes, 58 seconds, as he was chased around the track by Ron Robinson of Green Bay. Dean led all the way, and just sneaked under the wire ahead of Robinson and Jim Barron of Escanaba.

Herb Iverson came back in the Modified semifinal and ran away from the field to get the checkered flag. The race was close until Iverson got the lead in the 11th lap and turned on the gas. Bob Derouin of Escanaba was second, John Krostad third and Duane Edwards of Wells fourth. The time was 5:38.

The 20 lap feature race for Modifieds was won by Allan Yelle of Marquette, in what could be best described as an endurance race. Bobby Iverson swept into the lead in the first lap, and dropped out in the fifth after having car trouble. Gerry Richer then took over, and held the lead until the 16th when he had a blowout and had to leave. Yelle was running second and suddenly found himself with the lead. He continued on for the winning flag. John O'Reilly of Soo, Canada was second, and Orvo Valliquette of Escanaba third. The race was timed at 6:58.

Forrest Libby and Tom Warren provided the excitement in the Stock semifinal, after a slight delay for removal of banged up cars. They had completed only one and a half laps when the race was stopped. When it was finally resumed, Libby jumped into the lead with Warren right on his heels. That's the way they finished, with Clem Lundquist of Stephenson third and Tom Knapp fourth. The 15 laps were completed in 8 minutes 23 seconds.

Ron Robinson of Green Bay took the stock final in 7 minutes 45 seconds, as he jumped to an early lead and ran away from the field. Jim Barron of Escanaba tried to catch him, but Robinson had built too big a lead. Sonny Richer was third, and Don Benoit of Escanaba was fourth.

Ideal Weather; Stocks Attract Crowd Of 2,100

Beautiful weather and clear skies for the first racing weekend this year, brought out an estimated 2,100 racing fans this past Saturday night to the Fair grounds in Escanaba.

Bob Mayou of Escanaba started off the evening by taking the first modified heat, for his first victory of the year. Mayou held off challenges by Herb Iverson of Escanaba, who came from Camp Grayling where he is attending summer camp with the National Guard. Mayou took the lead in the first lap and had a comfortable lead away from the pack. Forrest Libby of Marquette came in second and Ron Poquette third.

Larry Duford of Kingsford and Don Benoit of Escanaba hooked up in a two car duel for the second stock heat. Tom Knapp of Marquette held the lead for the first nine laps of the prescribed 10, but was finally headed by Duford and Benoit. After dropping their first start of the season, Kiwanis players have notched five straight victories to share first place in the Escanaba Babe Ruth baseball league.

The game of the week will match the league leaders against runnerup Insurance Thursday.

The annual Babe Ruth Tag Days will be held July 8-9 with boys in the program taking collections through the business and residential districts. The Tag Days are staged each year to finance the league as there is no admission charge or collections made for season games.

The District tournament will be held at Bessemer July 15-17. All managers and officials of the league will meet Wednesday, June 29, at 8:15 p.m. at Club 314.

Terrell Plans Bad Beating For Ring Foe

HOUSTON (AP)—Ernie Terrell, a towering man who thinks he should be called world's heavyweight boxing champion because he represents the only world association, tries to boost his claim here Tuesday against tough Doug Jones.

Terrell, recognized by the World Boxing Association but not accorded such distinction in New York, California and Massachusetts and by many fans, will be clashing with the fellow who gave Cassius Clay, Ernie's chief tormentor, a rough evening.

Jones and quite a few others still contend that Doug should have had the decision.

And it is on this basis that Terrell expects to gain the respect he figures is due a champion "who has beaten all the good boys."

"I think I'll beat him bad," Terrell said as he wound up training with a fast four rounds against a couple of sparring partners who each received a strong right-hand shot.

Yesterday's Stars

By The Associated Press

PITCHING — Gaylord Perry, Giants, snapped Cincinnati's eight-game winning streak by hurling San Francisco to a two-hit, 10-0 victory while lifting his record to 10-1.

BATTING — Boog Powell, Orioles, collected three hits and drove in four runs as Baltimore crushed California 12-7.

Fight Results

SEOUL, Korea—Kim Ki-Soo, 154, Korea, outpointed Nino Benvenuti, 153, Italy, 15. Kim Ki-Soo won world's junior middleweight boxing title.

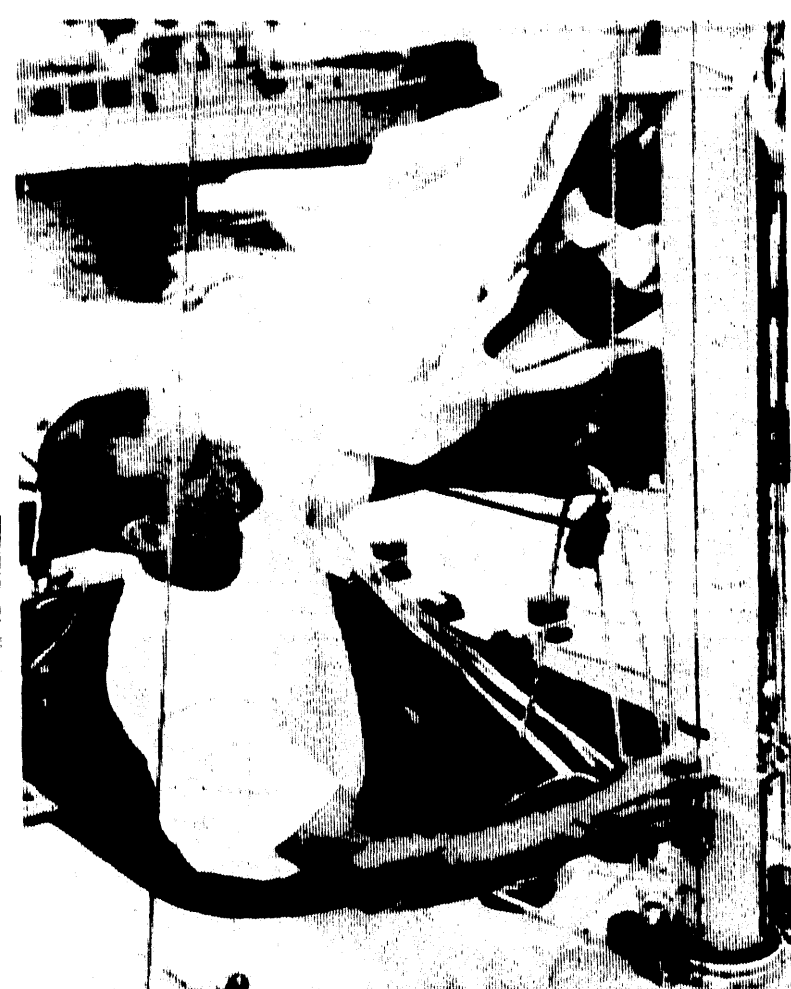

CARACAS, Venezuela — Pesid Gomez, 126 1/2, Venezuela, stopped Hiroshi Kobayashi, 126 1/2, Japan, 7.

TOKYO—Yoshi Nakane, 117, Japan, outpointed Dio Espinoza, 116, Manila, 10.

Sports In Brief

BERLIN — Kenya's Kopchoge Keino ran the fastest 5,000 meters of the year, 13:26.6, to beat Australian Ron Clarke in an international track and field meet Sunday. Keino's time was 2.4 seconds off the world record.

Former Cleveland Indian coach Elmer Valo is managing Dubuque, Iowa in the Midwest League this season.

Barggren Boat Trophy Winner Here Saturday

Escanaba sailboat enthusiasts got their first look at the trim 5.5 meter Olympic racing craft from the M & M Yacht Club fleet here Saturday and the event was labeled a tremendous success by local sailors.

Eight of the classy boats from the Menominee fleet took part in the House of Ludington Trophy races Saturday morning and afternoon.

Overall trophy winner was Dick Barggren who piloted his boat to victory in the morning race and the No. 2 spot in the afternoon event. Roger Derusha's boat won the afternoon race, and he was runnerup in the overall trophy standings with Tom Kuber third.

The boats skidded across the starting line in impressive fashion following the boom of the starter's gun from John Welch's judging boat. The course was eight and one-quarter miles.

The first four across the finish line in the morning were Dick Barggren, Doug Jones, Roger Derusha and Tom Kuber. The order of finish in the afternoon was Roger Derusha, Dick Barggren, Tom Kuber and Harold Derusha.

Six boats competed in the cruising division in morning and afternoon races. Order of finish in the morning was Herb Wake of Green Bay, Francis Anderson of Escanaba and P. O. Peterson of Sister Bay. On corrected time, Anderson was given first place, Peterson second and Wake third.

In the Seagull racing events Sunday afternoon at the Escanaba Yacht Harbor, the order of finish in the first race was Bill Boyce, Fran Anderson, Paul Bissell, Steve Maki, Fran Lewis, Peter Boyce, Larry Girard, Dean Shipman and Pat Gasman. Order of finish in the second race was Paul Bissell, Fran Anderson, Steve Maki, Peter Boyce, Fran Lewis, Bill Boyce, Larry Girard and Dean Shipman.

Cliff, 19, had a far tougher task. He was paired against Tony Roche, the Australian left-hander who won both the Italian and French titles this year and is seeded No. 2.

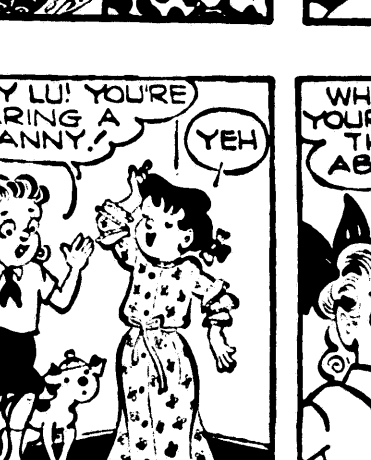

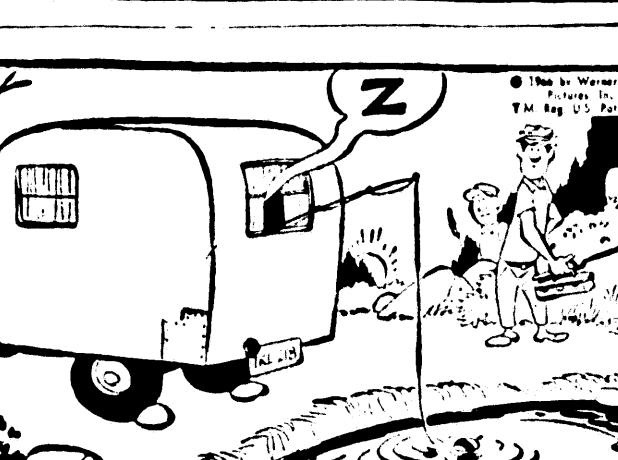

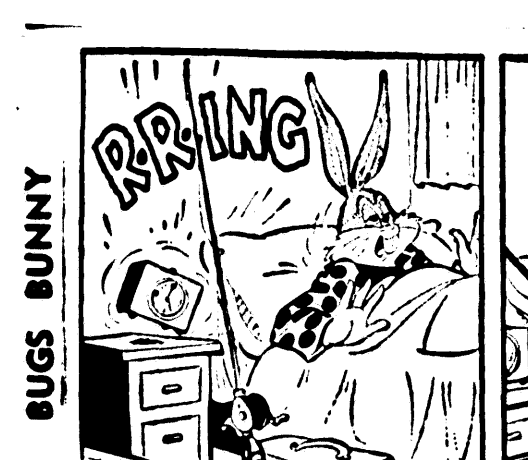

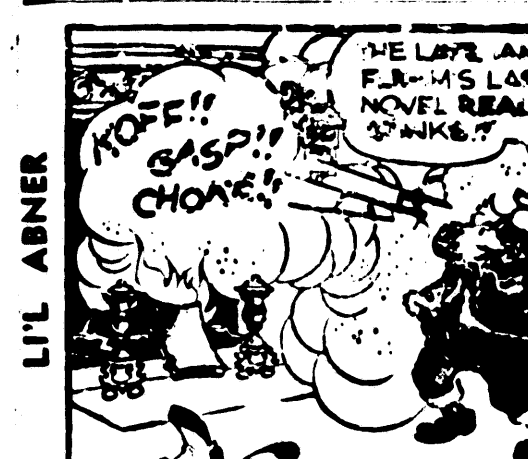

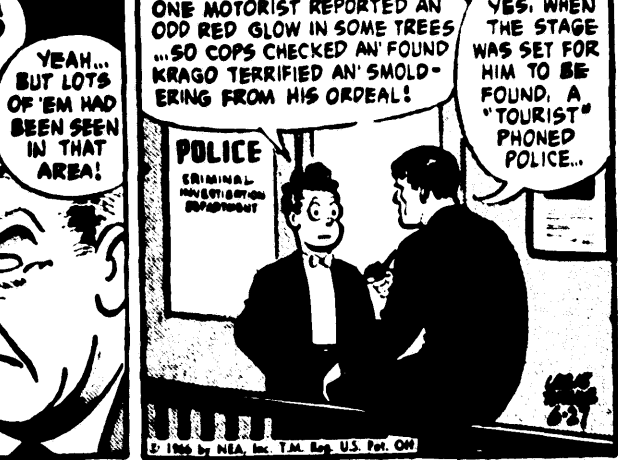

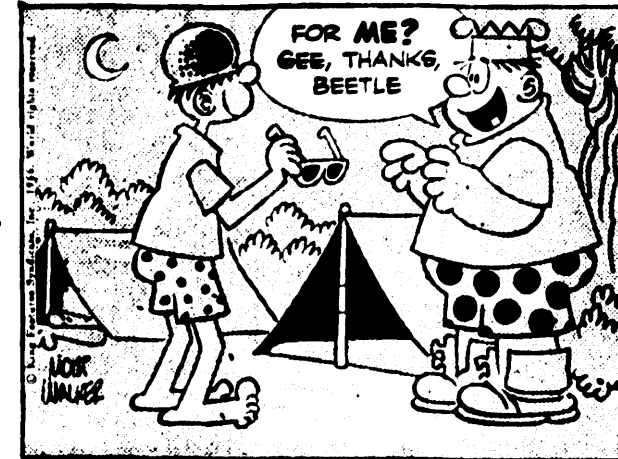

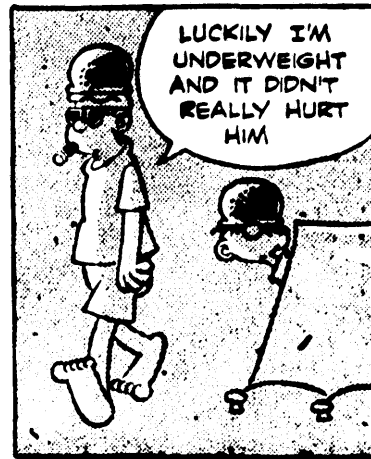

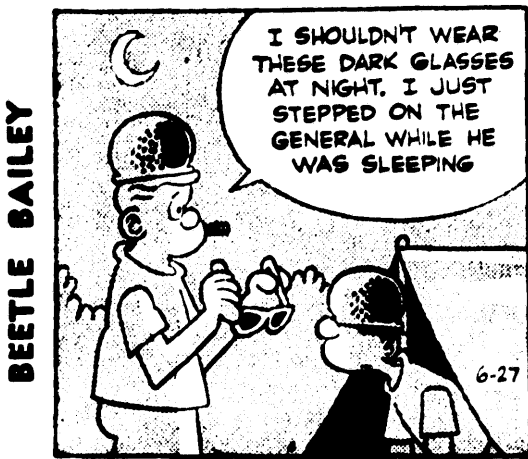

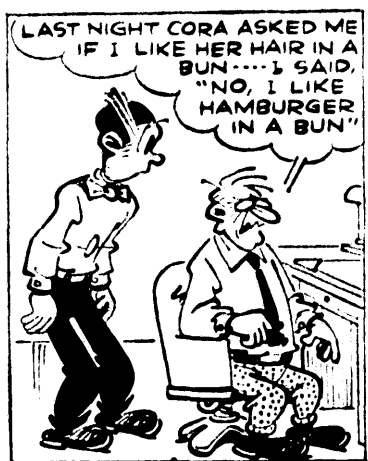

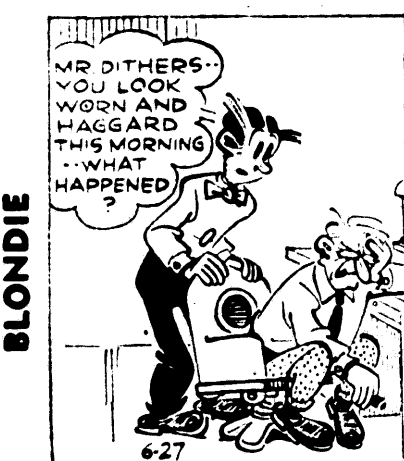

Roche has nursed an injured left ankle through the first three rounds, and has dropped only one set in that time.

Richeys has nothing to trouble him except his erratic temperament. He battled through two four-setters and one five-setter last week to reach the fourth round.

W. L. Marble II Taken By Death In Australia

The family of Webster Lansing Marble II has received word of his death in Brisbane, Australia, on June 21st.

He was employed by the Groote Eylandt Mining Company for the past year and a half. The cause of death, at age 46, was pneumonia following surgery.

Survivors include a son William, East Lansing; his parents, Mr. and Mrs. William L. Marble of Gladstone; a brother, Jackson, Lansing; and three nieces and two nephews.

Memorial services for Webster Marble were held in Lansing at the Church of the Resurrection on Friday, June 24th.

Briefly Told

Walter E. Doehler, 52, of 315 S. 6th St., Escanaba, reported to State Police he struck a deer with his car at 12:15 a.m. Saturday on U.S. 2 in Wells Township. Stanley Englund, McFarland, struck a deer Friday on M-35 in Maple Ridge Township.

Emery A. Vian was ticketed by Gladstone City Police for failing to yield right of way following a minor accident. Saturday, Michael F. Grenier of Escanaba was also ticketed for failing to stop for flashing red lights and improper use of registration plate.

Paul E. Johnson, 20, of 1008 2nd Ave. N., Escanaba, and John R. Christianson, 19, of 322 N. 11th St., were arrested by State Police at 8:05 p.m. Saturday in Masonville Township and charged with being minors in possession of beer. Officers said Johnson's car was stopped and he was ticketed for defective brakes.

State Police issued traffic tickets over the weekend to Joseph A. Rousseau, Rte. 1, Gladstone, excessive noise; Leonard LaMarch, Milwaukee, failed to stop for stop sign; John P. Moyle, 1417 N. 22nd St., Escanaba, excessive noise; Richard F. Fenech, Roseville, Mich., disregarding flashing red light; Paul E. Johnson, 1008 2nd Ave. N., Escanaba, defective brakes; James J. Peterson, Norway, no registration or proof of insurance; David Weber, Wells, no registration plates; Margaret Pardee, Rte. 1, Ensign, failed to stop for stop sign; Randolph Swanson, Sagola, excessive noise; Paul D. Johnson, Kingsford, defective muffler.

Cecile Buchholts, 38, of Rte. 1, Escanaba, was reported in "good" condition today at St. Francis Hospital with injuries suffered in a one-car accident at 2:45 a.m. Saturday. State Police said she lost control of her car on County Rd. A-10 (The Jaeger Rd.) and struck a culvert. She was notified to appear for violation of the basic speed law. Alpha H. Wickman, 55, of 605 Superior Ave., Gladstone, was notified to appear for following too closely after his car struck the rear of a car driven by William C. Laurich, 21, of Rte. 1, Rapid River. State Police said the accident happened at 5:55 p.m. Sunday on U.S. 2 in Masonville Township.

Hit-Run Mishaps Reported Sunday

Two hit-and-run accidents on M-35 in Brampton Township early Sunday morning were reported to State Police.

Visitation Lucier, 37, of Brampton told troopers her northbound car was sideswiped at 1:30 a.m. by a southbound vehicle which failed to stop. Allen Rogers, Rte. 1, Gladstone told police his car which was parked along the highway was struck sometime during the night.

Troopers are investigating.

Social

Legion Auxiliary August Mattson Post 71 Auxiliary will hold a regular meeting at the Legion Hall at 7:45 p.m. today. Officers will be elected and a fund raising party will be held after the business meeting. Members are asked to bring a friend and prizes will be awarded to guests.

Boa Constrictor In Car, Driver Is Really Shook

DETROIT (AP) — Nelson Wilson was just driving along minding his own business in a Detroit suburb when out from under his dashboard slithered a 4½ foot boa constrictor.

Wilson, 21, of Grosse Pointe Woods, whipped into the first driveway he came to, a supermarket parking lot.

He jumped from the car, closed the windows and locked the doors. He ran into the store and asked someone to call the police.

"He was too shook to call them himself," said a stockboy. "He was really frantic."

By the time police arrived the snake had returned to its hiding place behind the car's inside paneling. They could reach the snake's tail, but they couldn't pull it out.

Police suggested Wilson drive it back to his home. Wilson didn't like the idea but finally agreed.

Turns out that the reptile belonged to Wilson's brother Larry, 19. Larry and a friend forgot to tell Wilson they had bought the snake for \$150 and were bringing it home from school when it got loose in the car.

Golf, Luncheon Set Thursday

The ladies of the Gladstone Golf Club will meet Thursday for their regular golf and noon luncheon.

Reservations may be made at GA 8-9846 by Tuesday noon if your name is not on the permanent reservation list. The committee is Joan Anderson, Marie Miller and Florence Burke. Parings for golf will be published later.

Powell's Surge At Plate Nears Robinson Boys

By The Associated Press
His name isn't Robinson, but Boog Powell is hitting like one. Powell, who hasn't been getting the same recognition accorded Frank and Brooks Robinson in Baltimore's run to the American League pennant, again emphasized his credentials Sunday by driving in four runs with three hits in a 12-7 blasting of the California Angels.

And the way he's been going recently, the 24-year-old slugger first baseman may be ready to claim an equal share with the Robinsons in the Orioles' power structure.

At this time last month, Powell was hitting a woeful .185. Since then he has hit at a .402 clip while hammering nine homers and 30 runs batted in. The month-long burst has lifted his totals to where they bear favorable comparison with the more publicized Robinsons.

BOG POWELL
F. Robinson 18 44 332
B. Robinson 15 63 287
Powell 15 45 295

With Powell driving in his four runs, Frank stroking four hits, Brooks knocking in the lead run and Russ Snyder collecting five hits — and taking over the AL batting lead with a .338 average — the Orioles built their league lead to three games over Detroit.

Minnesota clipped the Tigers twice 7-5 and 7-1, the New York Yankees swept the Chicago White Sox 7-2 and 2-0, Kansas City defeated Cleveland 4-2 before the Indians came back for a 14-3 triumph and Boston walloped Washington 13-7 before

Billy Casper Wins Western

CHICAGO (AP) — Billy Casper, in command of himself and his game, won the Western Open Sunday by letting a corps of youngsters founder in his wake and took another stride past faltering Arnold Palmer.

The 35-year-old Casper shot a steady one-under-par 35-35-70 for a 283 total, the only score to better Medinah No. 3's par of 284 for 72 holes. He picked up the top prize of \$20,000 to wrest the PGA money-winning lead from Palmer, whom he defeated in a playoff for the National Open crown last week.

Casper took dead aim at less experienced youngsters such as 24-year-old Kermit Zarley, 28-year-old Homero Blancas and 29-year-old Tommy Aaron. Aaron went into the final round with a one-stroke lead over the field, but Casper went in front on the third hole with a 12-foot birdie putt and dared the others to catch him.

Gay Brewer, with a 34-37-71, finished second with a 286, three strokes behind the winner, and took down second money of \$12,000. Aaron blew to a 75 and Zarley shot a 74 as the youngsters settled for 287 totals good for a third-place tie and \$6,250 each. Palmer, shooting a final round of 38-34-72 for 289, was not among those chasing Casper and finished in a tie for ninth. Arnie took down only \$2,400 giving him \$65,817 for the year.

Casper, who attributed his fine showing to the fact that he did not have a single three-putt green, zoomed to a total of 689, 749 for the year.

Norman Snead Inks Contract
PHILADELPHIA (AP) — Quarterback Norman Snead has signed a three-year contract with the Philadelphia Eagles of the National Football League, the club announced today.

Last year, Snead completed 150 of 298 passes for a 52.1 per cent accuracy. His passes gained 2,346 yards and accounted for 15 touchdowns.

Boy, 14, Held In Car Thefts

A 14-year-old Delta County boy is in custody of juvenile authorities today after a spree Saturday in which he and another youth stole two cars.

The second boy is expected to be picked up today.

Police gave this account of their activities.

About 12:30 a.m. Saturday a car owned by Mike Williams was taken from the 1800 block of 3rd Ave. N. The boys drove the car around the area until about 8 a.m. when they left it near the Chicago & North Western ore heating plant.

From there, the boys walked into Escanaba and walked around before heading for the Harnischfeger Corp. plant on the Danforth Rd. About 10:30 a.m., a car owned by Francis Thomas, 806 S. 17th St., was taken from the parking lot.

The car was driven around the Danforth and Soo Hill areas, before being abandoned about 3 p.m. near the Standard Oil Co. bulk plant at the north city limits. Thomas' car was damaged when the driver failed to make a turn near the No. 1 dam and struck a guard post.

Officers are continuing to question the youth in custody about other stolen cars in recent weeks. Police said keys were left in both cars taken Saturday and the youths had apparently "marked them" as possibilities to take for a ride.

JON THORIN, owner of Thorin Aviation, Inc., left, explains operation of a new 310K Cessna plane to John Mark, a student flier, and Mark's son, Robert, and daughter, Cheryl, at the Cessna Carnival which drew hundreds to the Escanaba Airport on Saturday and Sunday. Static displays of new aircraft, flights by the Enstrom F28 helicopter and a flyover by Sawyer Base Voodoos were highlights of the carnival. (Daily Press Photo)

Calif. Soprano Wins Gold Medal At Russian Fest

MOSCOW (AP) — A 24-year-old California soprano who didn't discover music until five years ago is the first American winner of a top prize in the Tchaikovsky competition since Van Cliburn in 1958.

Jane Marsh of Mill Valley daughter of a San Francisco obstetrician, was awarded first prize for women singers Sunday night. She won \$2,750, a gold medal and valuable publicity.

Two American Negroes won lesser prizes. Veronica Tyler, 28, Baltimore, tied with a Bulgarian for second place in the women's division. Simon Estes, 28, New York, was third in the men's division. A Russian won the men's prize.

As a teen-ager, Miss Marsh said, "I didn't know I had a voice and neither did anybody else." At Mill Valley's Tappan High School she showed great promise as a swimmer and won the state title in the free-style crawl in 1957-59.

She discovered music at 19, while majoring in psychology at Oberlin College, in Ohio.

"I had some friends who went to the conservatory, and I found I enjoyed going with them. I discovered I had a voice. That was it. I was hooked."

A dramatic soprano, she made her operatic debut as Desdemona in Verdi's "Otello" at the Spoleto Festival last summer.

The Soviet news agency Tass hailed Miss Marsh as a "talented singer with a strong soprano of broad range. In her arias she demonstrated all the beauty of her voice, her good training, her expressive phrasing."

Announcement of the winning pianist, who in the past has attracted most attention, is expected Tuesday.

Three Americans were among the 14 finalists: James Dick of Hutchinson, Kan., Mischa Dichter of Los Angeles and Edward Auer of New York.

The Soviet press has made no mention of De Gaulle's visit to the space center. He is the first Westerner allowed to witness a Soviet space launching.

police he was talking to a companion in the car and failed to watch where he was driving. Issued summonses after minor accidents were Robert M. Hansen, 18, of 2110 S. 16th St., and William R. Jessick, 621 Arbustus, Manistique, both for failure to use due care and caution. John Brayak, Rte. 1, Escanaba, was ticketed for failing to stop in the assured clear distance after investigation of an accident on June 16.

The spokesman reported Saturday that De Gaulle had seen the Soviets launch an unmanned earth satellite into orbit from their center for space research and military rocketry in Baikonur, in a desert area about 1,200 miles southeast of Moscow.

The Soviet press has made no mention of De Gaulle's visit to the space center. He is the first Westerner allowed to witness a Soviet space launching.

Traffic summonses were issued to the following motorists by city police over the weekend: John R. Derouin, 1408 Ludington; Patrick D. Deloria, City Trailer Ct., Gladstone; Larry O. LaPalm, Rte. 1, Escanaba; Ehil R. Scheenman, Bark River; Harold C. Bauer, 1212 Superior Ave., Gladstone; Alphonse Poupour, Rte. 1, Carney; Richard J. Caron, Rte. 1, Escanaba; and Lucia H. Ammel, Willow Creek Rd. all for speeding, and Thomas R. A. Anderson, 911 Sheridan Rd., for disobeying a stop sign.

A 16-year-old Escanaba youth was cited by City Police for running off the road after the car he was driving struck a utility pole in the 1400 block of Stephenson Ave., at 4:50 p.m. Sunday. The youth told

Pictured Rocks '66 Possibility

There is still a chance for passage of legislation in this session of Congress setting up the Pictured Rocks National Lakeshore in Alger County, U. S. Senator Philip A. Hart (D-Mich.) told the 29th annual dinner meeting of the Michigan United Conservation Clubs at Marquette. Hart said the downstate Sleeping Bear Dunes National Lakeshore will become a reality this year, "and in my book there is an almost equally good chance for Pictured Rocks this year."

Earlier reports out of Washington indicated that there was little, if any, hope of passage this year of the proposal to establish a 67,000-acre national lakeshore recreation area extending from Grand Marais to Munising.

"The biggest thing against it (Pictured Rocks this year) is that other states will wonder whether it's cricket for one state to get two lakeshore areas," Hart told 350 persons at Northern Michigan University.

"But," he added, "I'm very hopeful we can deliver on both."

Hart, who introduced the Pictured Rocks bill in the Senate and has been the principal proponent of the measure, commended the Cleveland-Cliffs Iron Co., major landowner in the proposed recreation area, for its part in helping to have the land set aside as a national lakeshore.

"If we get the park (Pictured Rocks) and Sylvania (a forested area in Gogebic County that the U. S. Forest Service hopes to acquire from private ownership and develop into a recreation and scenic area), the real challenge ahead is the preservation of the scenery and the sensible use of the land," Hart said.

William G. Morgan invented the game of volleyball at the YMCA in Holyoke, Mass., in 1895.

Two Wounded In Oak Park

OAK PARK (AP) — A 53-year-old man and his daughter-in-law were wounded Sunday night by a shrapnel blast fired by a phantom assailant as they drove home from an ice cream parlor.

Police said the victim, Nathan Rakotz of Oak Park, was in satisfactory condition with wounds in the left shoulder, arm and chest.

Rakotz's daughter-in-law, Mrs. Shelley Rakotz, 24, was treated and released. His wife, Minnie, 53, was not injured.

Investigators said they believe the blast came from a homemade weapon, probably a pipe. Rakotz was driving home with the two women when shotgun pellets or shrapnel penetrated the rear windshield.

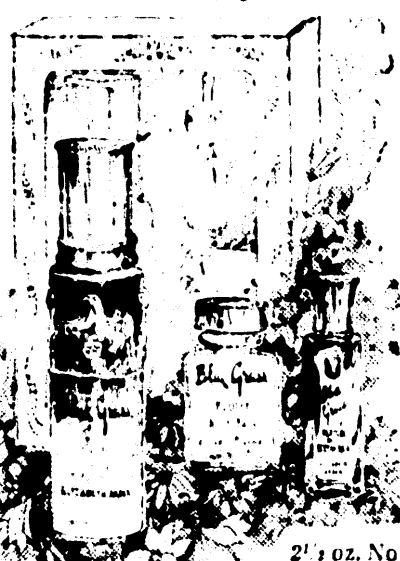

The state individual championship and he won or placed in 15 of 16 events. His high broke the former range mark of 2,633 by State Police Cpl. William Bayn of Rockford.
